Stephanie Ehrisman

Rasmussen College
Ocala Florida

Dear Stephanie,

I am writing in response to your advertisement in the online job postings at Rasmussen, Ocala Campus, for a Full-time Faculty position at the College of Nursing. After reading the job description, I am confident that my skills, values and passions are congruent with the position requirements and Rasmussen's mission.

I will be completing my Masters in Nursing Education degree in December and I am actively considering my options for my career. I have always enjoyed working with nursing students and as my resume demonstrates, I have spent a number of years with a focus on career development and staff development.

My past three years of experience with a focus on the patient and the patient experience makes me uniquely qualified to Mentor students of nursing in not only the technical aspects of nursing practice but also to develop the skills to provide the compassionate, patient centered care that is so valued.

I would welcome the opportunity to further discuss this position with you. If you have questions or would like to schedule an interview, please contact me by phone at **352-843-4742** or by e-mail at hngifford@gmail.com. I have enclosed my resume for your review, and I look forward to hearing from you.

Sincerely,

Heather Gifford, MSN, BSN, RN
